Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

This application was filed on July 21, 2006 as a national phase application of PCT/DK2005/000084. As indicated in the Application Data Sheet, this application claims priority or the benefit of Danish Application No. PA 2004 00192 filed on February 09, 2004 and United States Provisional Application No. 60/543,990 filed on February 11, 2004.

The filing receipt mailed March 29, 2007 omits the United States Provisional Application in the domestic priority data section.

Applicants therefore request the issuance of a corrected filing receipt with a complete domestic priority data section.

Applicants submit that the error was the fault of the USPTO and therefore no fee is due.

Respectfully submitted,

Date: January 8, 2009
